

## VALUE INFORMATION

### Market Value

| Last Year ( 2024 ) | This Year ( 2025 ) |
|--------------------|--------------------|
| 1,360,000          | 1,550,000          |

Market value in Florida is also known as “just value” as provided by the constitution and described in state law. It is the amount a purchaser willing but not obliged to buy would pay to one willing but not obliged to sell, after proper consideration of all eight factors in section 193.011, F.S. Properties are valued as of January 1.

If you feel that the market value of your property is inaccurate or does not reflect fair market value, or you are entitled to an exemption or classification that is not reflected on this notice, **contact your County Property Appraiser at the numbers listed on the included insert.**

If the Property Appraiser's office is unable to resolve the matter as to market value, classification, or an exemption, you may file a petition for adjustment with the Value Adjustment Board. Petition forms are available from the County Property Appraiser's office. Your petition must be filed with the Clerk of Value Adjustment Board on or before **5:00 PM September 15, 2025** at 301 N Olive Ave, West Palm Beach, FL 33401.

**Assessed Value** is the market value minus any assessment reductions.

**Exemptions** are specific dollar or percentage amounts that reduce your assessed value.

**Taxable Value** is the value used to calculate the tax due on your property (Assessed Value minus Exemptions).

| Assessment Reductions | Applies To | Value |
|-----------------------|------------|-------|
|                       |            |       |

Any exemption that impacts your property is listed in this section along with its corresponding exempt value. Specific dollar or percentage reductions in assessed value may be applicable to a property based upon certain qualifications of the property or property owner. In some cases, an exemption's value may vary depending on the taxing authority. The tax impact of an exempt value may also vary for the same taxing authority, depending on the levy (i.e. operating millage vs debt service millage).

\* Due to the passage of Amendment 5 in 2024, the amount of the additional homestead exemption will increase with the rate of inflation.

| This column shows the taxes that applied last year to your property. These amounts were based on budgets adopted last year and your property's previous taxable value.                                                                                                                                                                                         |                               |              | This column shows what your taxes will be this year IF EACH TAXING AUTHORITY DOES NOT CHANGE ITS PROPERTY TAX LEVY. These amounts are based on last year's budgets and your current assessment. |                                                              |              | This column shows what your taxes will be this year under the BUDGET ACTUALLY PROPOSED by each local taxing authority. The proposal is NOT final and may be amended at the public hearings shown above. The difference between columns 2 and 3 is the tax change proposed by each local taxing authority and is NOT the result of higher assessments. |                                                                                                                                                                                                                                                                                                                                                                                                         |              |            |                                                                                                  |
